

A literacy focus this week alongside our P1 friends as we looked at the story Room on the Broom by Julia Donaldson. We were able to cut out characters and sequence the events in the story and retell it in our own way as we acted parts of it out. We also sang the story as we watched on the interactive whiteboard. We took turns being a witch casting spells over our friends to turn them into the animals in the story.

This week some school friends came and helped us do some spooky skeleton dancing as we learned about some of our body parts.
