

A busy week celebrating World Book Day. We had Mr McGreggor who had a hard time keeping those rabbits from stealing his lettuces as well as our own magical unicorn. Some children brought their favourite book to share. We had our very first Phonics Friday session with Miss Fraser. We were practising the sound 'i'. We also baked this week for St David's Day and made Welsh Cakes. Ffion's dad was so happy! Using our fingers to assemble apple and grape cars for snack was tricky too.
