

Run run as fast as you can...The gingerbread man was our story focus this week and we got stuck into lots of activities to help us remember and recall the tale. We played a board game and made some paper gingerbread houses at craft but baking was by far the favourite. We made our very own gingerbread men and ladies as well as some gingerbread houses. They were so delicious and tasty that we had one for snack and some to take home. Were you lucky enough to get a taste too mum and dad?
