A huge thank you to our nursery parents for coming along and attending our Maths Week Scotland open afternoon. We do hope that you had fun playing the various math themed activities that were on offer with your child leading their learning. Didn't they do well in performing their sea themed nursery rhyme. Earlier in the week we baked a delicious carrot cake from the carrots that the children grew. We then iced it on the day. I'm sure it helped to wash down that much needed afternoon cuppa.
