

## IDL

This term our Interdisciplinary Learning is all about Fishing, Forestry and other local industries. Children are spending time researching our local industries and their heritage as well as making suggestions and plans for the future!

## Carradale Golf Club

Carradale Golf Club are keen to encourage our children to enjoy their local club. Gordon Abernethy, club secretary, has asked us to let you all know that Carradale Primary School children can play for free at the Golf Club, if accompanied by a responsible person over 16 years of age. Full Junior Memberships are also available. Contact Gordon on [info@carradalegolf.com](mailto:info@carradalegolf.com) for more information.

# DIARY

- tba Visit from MOWI
- 7/10 Last day of term

Carradale  
Newsletter  
August 2022

## Dear Parents /Carers,

Welcome to our Autumn Term Newsletter. We have another exciting term planned.

We said goodbye to some wonderful pupils in June who have gone to pastures new and we're delighted to welcome some new folks to our school family this year, too! We're also looking forward to inviting parents and carers to join us and, of course, welcome visits if you would like to speak with us at any time.

## Summer Adventures

The whole school participated in many adventures in the summer term. Jubilee Celebrations, Beach Day, and our Cinema Visit gave us lots of fun towards the end of our busy year. Our final treat was to spend the last morning of term working with the Clyde Fisherman's Trust art project and we're very much looking forward to seeing our artwork being exhibited in Glasgow later this year!

## School Sports Day

On Friday 17<sup>th</sup> June we joined Drumlemble Primary School for a joint sports day. This was a really wonderful reunion with pupils enjoying catching up and working with friends we hadn't visited for 2 years! Mixed school teams competed in Virtual Games led by Lyndsay Ramsay, our Active Schools Co-ordinator. Everyone tried their best and the events were a huge success. We were also joined by Ziggy and his road safety team after our ELC and P1s and 2s won a road safety competition. He certainly put big smiles on all our faces!
