

Outdoor Learning

This term our children are spending time outside every week, extending opportunities for developing skills in an outdoor context. They have been inspired by their local environment to create art, especially our beautiful 'Crow wood' was an incredible backdrop for this work.

Carradale Newsletter May 2022

Dear Parents /Carers,

Welcome to our Summer Term Newsletter. We have an exciting and busy summer term planned.

We look forward to being able to invite parents / carers to the school during this term as changes in the restrictions now allow this to happen.

Beach walk fundraiser

The children took part in a sponsored walk of the Big Bay to raise money for the Ukraine Humanitarian Appeal. We raised an amazing total of £471.25 for this cause. The children had the opportunity to reflect on the lives of others and how they are playing their part in helping children around the world. We would again like to thank all of the families and community members for their generosity.

Active Schools

The children in P4 -7 have completed a series of rugby skills sessions with Andrew Johnson, Rugby Development Officer.

School Sports Day

This year we will be going to Drumlemble Primary for a joint school sports day on Friday 17th June. The bus will set off from school at 9.45am and we will be returning to school at 2.15pm. We would like to invite parents to support their child/children as spectators at Drumlemble Primary School. We believe the children will thoroughly enjoy meeting their friends at Drumlemble again after such a long time!
